

Registration Questions

A template for your mentorship
program registration

You need information on mentors and mentees to make relevant pairing decisions. Here are several important questions to ask participants when they join your mentorship program.

About Together

Together empowers organizations to accelerate their employee development through our Mentoring platform. Powering 1-on-1 and group mentoring programs, we enable organizations to level up their employee growth.

Employees don't need to learn or download a new tool because our web-based platform integrates with existing email and calendar systems to make it as easy as possible to build meaningful mentoring relationships and grow.

Together's platform includes session agendas, templates, and resources that make it easy to get your mentoring program up and running quickly. Likewise, Together's team provides guidance every step of the way.

Experiences

Describe any experiences or learnings you are hoping to get from this mentoring program.

Describe any experiences or topics you can help with as part of this mentoring program.

Ready to launch registration?

Together's mentorship platform automates the registration process and makes it easy to set up employees as mentors and mentees.

The screenshot displays the 'Set Up Your Questionnaire' page within the Together platform. On the left, a sidebar shows the program setup progress: 'General Information' is complete, while 'Plan Registration' (including 'Set Up Questionnaire', 'Set Up Pairing Algorithm', 'Participant Access', and 'Review Email Invites'), 'Launch Registration', 'Review Pairing Process', 'Plan Session Content', and 'Launch Pairing Process' are pending. The main content area is titled 'Set Up Your Questionnaire' and includes a 'Preview Questionnaire' button. It features several question blocks for role selection and participant profiles, each with 'Mentor' and 'Mentee' toggle options. A right-hand panel offers options to 'Add Questions' by browsing a pool, creating custom questions, or importing from an existing program. At the bottom, 'Save & Exit', 'Back', and 'Next' buttons are visible.
