program registration

You need information on mentors and mentees to make relevant pairing decisions. Here are several important questions to ask participants when they join your mentorship program.

About Together

Together empowers organizations to accelerate their employee development through our Mentoring platform. Powering 1-on-1 and group mentoring programs, we enable organizations to level up their employee growth.

Employees don't need to learn or download a new tool because our web-based platform integrates with existing email and calendar systems to make it as easy as possible to build meaningful mentoring relationships and grow.

Together's platform includes session agendas, templates, and resources that make it easy to get your mentoring program up and running quickly. Likewise, Together's team provides guidance every step of the way.

Ready to launch registration?

Together's mentorship platform automates the registration process and makes it easy to set up employees as mentors and mentees.

The screenshot shows the 'Set Up Your Questionnaire' interface. On the left is a sidebar with a navigation menu for 'Program Hand-up Mentorship', showing 13 steps left to launch pairing. The 'Plan Registration' section is active, with 'Set Up Questionnaire' selected. The main content area is titled 'Set Up Your Questionnaire' and includes a 'Preview Questionnaire' button. Below the title, there are sections for 'Role Selection' and 'Participant Profile'. The 'Role Selection' section contains two questions: 'Will you participate as a mentor, mentee, or both?' (with options: Mentor, Mentee, Both mentor & mentee) and 'How many mentees do you have capacity to take on?' (with a numeric input field). The 'Participant Profile' section contains five multiple-choice questions: 'What level of seniority do you hold?' (options: Co Op, Associate, Intermediate, Senior, Director, VP / Executive), 'What is your current role?' (options: Sales, Marketing, Finance, Product, Design, User Research), 'What other roles do you have experience in either here or in the past?' (options: Sales, Marketing, Finance, Product, Design, User Research), 'What role do you prefer your mentor has experience in?' (options: Sales, Marketing, Finance, Product, Design, User Research), and 'At which locations are you open to holding mentorship sessions?' (options: San Diego, Vancouver, Toronto, Copenhagen). On the right side, there is an 'Add Questions' section with buttons for 'Browse Question Pool', 'Create Custom Question', and 'Import From Existing Program'. At the bottom, there are 'Save & Exit', 'Back', and 'Next' buttons.
